

WORLD BANK EMERGENCY SUPPORT IN UKRAINE: PROCUREMENT OPPORTUNITIES

SEVARA MELIBAEVA

**PROGRAM LEADER FOR INFRASTRUCTURE & SUSTAINABLE DEVELOPMENT
EASTERN EUROPE**

ESTIMATED COST OF UKRAINE'S RECONSTRUCTION AND RECOVERY STANDS AT US\$411 BILLION OVER NEXT 10 YEARS

THESE SECTORS ACCOUNT FOR THE LARGEST PERCENTAGE OF TOTAL NEEDS

according to the new joint Rapid Damage and Needs Assessment (RDNA2) by the Government of Ukraine, World Bank Group, European Commission, and UN

Emergency Projects focus on repairing damaged infrastructure, restoring public services, and sustaining economic activities

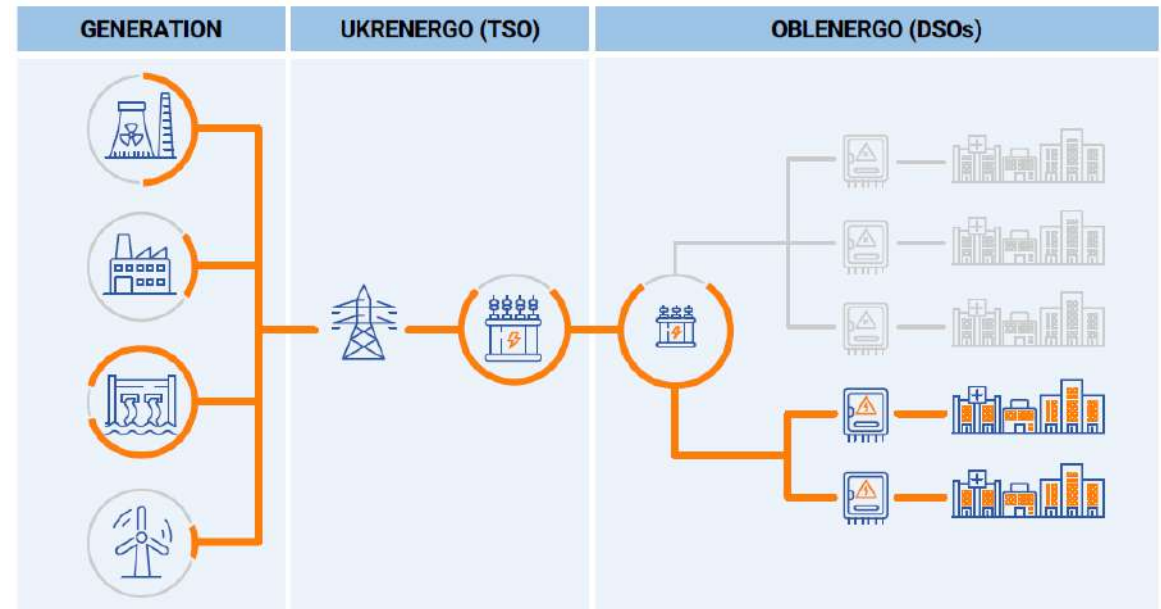

- **Energy:** Restoration Project of Winterization and Energy Resources (Re-PoWER Ukraine)
- **Transport and logistics:** Repairing Essential Logistics Infrastructure and Network Connectivity (RELINC)
- **Health sector:** Health Enhancement and Lifesaving in Ukraine (HEAL)
- **Housing:** Housing For People's Empowerment Project (Hope)
- **Agriculture:** Agriculture Recovery and Inclusive Support Emergency (Arise) Project

**RESTORATION PROJECT OF
WINTERIZATION AND ENERGY
RESOURCES (RE-POWER) PROJECT**

DAMAGE TO ENERGY SECTOR EXCEEDS \$10BN

- More than half of energy facilities damaged, with largest share in power sector
- Ukrenergo's substations targeted, particularly transformers, causing extensive electricity disruptions downstream
- Critical high-voltage substations damaged including 750kV Kyivska, 750kV Vinnystya, 330kV Ryvne, and 330kV Lviv
- Revenue losses in power, gas production, gas transit, coal mining, and fuel oil sectors of over \$27bn
- District heating distribution damages in Southern & Eastern regions causing evacuation as neither restoration nor reconstruction is feasible

RE-POWER: SCOPE OF ACTIVITIES

APPROVED ON APRIL 11, 2023

- **PDO:** To enable the restoration of essential energy services in Ukraine.
- **Total funding needs:** US\$500 million
- **Initial funding available:** US\$200 million grant signed
- **Components:**
 1. **Emergency equipment for the electricity transmission infrastructure (US\$199.7 million funded; estimated need ~US\$300 million):** provision of autotransformers, transformers, circuit breakers, and other substation equipment and materials for Ukrenergo. This is the most critical support to restore the electricity supply for the entire transmission network.
 2. **Emergency equipment for the heating services (US\$0m funded; estimated need ~US\$200 million):** provision of mobile heat-only boilers for heating centers, mobile mini co-generation units, other equipment and materials for repairing district heating and gas networks as well as liquid fuel depots and alternative heating options.
 3. **Project Management and Monitoring (US\$0.3 million funded):** project supervision and monitoring support

HEALTH ENHANCEMENT AND LIFESAVING (HEAL) PROJECT

APPROVED DEC 20, 2023

- ❖ 6% of health facilities damaged or destroyed (Jan 2023)
- ❖ Childhood immunization down 20 percentage points year-on-year (Nov 2022)
- ❖ Up-take of preventive screening is around half (Sept 2022)
- ❖ Rapid escalation in need for mental health services resulting from war-related trauma

- **PDO:** To restore and improve access to essential mental health and rehabilitation services, address urgent needs for health services, and provide financial protection in emergency context.
- **Total funding needs:** US\$500 million
- **Initial funding available:** EUR100 million IBRD loan (backed by a Guarantee from the Government of Spain)
US\$10 million grant from GFF for Women, Children and Adolescents
US\$10 million grant from URTF (forthcoming)
- **Components:**
 1. **Mental health and rehabilitation services (\$100m, with initial funding of EUR 30m):** support introduction of a new health package for mental health and meet the increased demand for rehabilitation services.
 2. **Primary healthcare (\$150m, with initial funding of EUR58m + \$7m):** improving access & utilization of primary health care services disrupted by the war, especially immunization, check-ups (screening), and access to affordable medicines.
 3. **Hospital care (\$200m, with initial funding of EUR 10m and \$5m):** restoring and modernizing select hospitals (based on hospital efficiency masterplan)
 4. **Capacity-building, digitalization, and innovations (\$50m, with initial funding of EUR 7m + \$ 3m):** support for key health sector institutions, strengthening ongoing digitalization efforts, and encouraging innovation.

**HOUSING FOR PEOPLE'S
EMPOWERMENT (HOPE)
PROJECT**

HOUSING FOR PEOPLE'S EMPOWERMENT (HOPE) PROJECT

UNDER PREPARATION FOR BOARD APPROVAL BY END OF AUGUST 2023

- Housing is the most affected sector with total damage estimated at over US\$50 billion
- Over 5.9 million people displaced within Ukraine only (as of Dec 5, 2022)
- 1.45 million residential units (~11% of total residential stock) impacted directly affecting ~3.5 million residents
- ~87% of housing units damaged are in multi-family apartment buildings
- 4 out of 5 damaged units are in urban areas

- **PDO:** To increase households' access to repaired housing units damaged by Russia's invasion of Ukraine..
- **Total funding needs:** US\$800 million
- **Initial funding available:** US\$70 million IBRD loan (backed by a Guarantee from the Government of Japan) committed
US\$162.5 million grant from URTF committed

- **Components:**

1. **Repair of residential units with partial damage:** supporting compensations to affected households for the emergency repair of partially damaged residential units through e-Restore National Program. This will encompass compensation for repairs of residential units with minor damage as well as with medium damage, rolled out in phases.
2. **Design and routine/capital repair of up to moderately damaged Multi Family Buildings (MFBs):** funding preparation of design and project documentation (DPD) for up to moderately damaged residential units and MFBs; financing repairs of the identified MFBs for which the DPDs have been completed; and assistance to the selected LSGs for the formulation and updates of underlying planning documents and data.
3. **Project Management:** project management and capacity strengthening support.

**UKRAINE AGRICULTURE RECOVERY
INCLUSIVE SUPPORT EMERGENCY
(ARISE) PROJECT**

PROJECT – P180732

UKRAINE AGRICULTURE RECOVERY EMERGENCY PROJECT

UNDER PREPARATION FOR BOARD APPROVAL BY END OF SEPTEMBER 2023

- Total damage to agricultural sector of US\$8.7 billion and estimated economic losses of US\$31.5 billion (Feb 24, 2023)
- 37mn ton reduction in grain and oilseed production in 2022 vs 2021 (35% decline) impacting global food security
- Farmers revenues from grains and oilseeds dropped by 80% compared to 2021
- Access to finance identified as most crucial issue for farmers; smaller farms face more risks & higher input costs
- Urgent need to switch elevators to alternative energy sources (LPG/hard fuels) to dry grains given destroyed gas infra

- **PDO:** To support an inclusive agriculture recovery and provide immediate and effective response to an eligible crisis or emergency.
- **Total funding needs:** US\$700 million
- **Initial funding available:** US\$230 million IBRD loan (backed by a Guarantee from the Government of Japan) committed
US\$320 million grant from URTF committed
- **Components:**
 1. **Supporting access to finance to farms through affordable credit:** provision of access to short-term finance for farmers under “5-7-9” credit program by reducing cost of borrowing to enable their agricultural production in 2023 and 2024. To be implemented through Business Development Fund (BDF).
 2. **Supporting access to finance to small farms through grants:** support to small farms given their unique challenges to access commercial financing and/or secure inputs on credit from input suppliers.
 3. **Project Management:** project implementation and monitoring support.
 4. **Contingent Emergency Response Component (CERC)**
